

Reload Gammill App on Samsung Tablet

First make sure you can download from unknown sources:

1. Go to "Settings"
 - a. Go to "Security"
 - b. Under Device Administrators"
 - c. Check "Unknown Sources" BOX
2. Go to "Display"
 - a. Click "Screen Timeout"
 - b. Set screen timeout to "30 minutes"

Turn WiFi on and connect on your Samsung pad

Get connected to Internet

- A. Go to "Gammill.net" website
- B. Go to "Products" on top line
- C. Click on "Vision 2.0 by Gammill"
- D. Click on "Gammill Vision 18-8"
- E. Hit "Learn More...."
- F. On left side of screen Click "Vision Software"
- G. Near bottom of screen Click on "Download Software"

App should now load, follow instructions on the screen

After download you should be able to find App in "Apps" file

Hold finger on App for 2 seconds, or so, to move to HOME SCREEN
