

Gammill[®]

NEW!

Vivid Lighting System

Light Up Your Quilting
Add a Vivid Lighting System to your Gammill.

Eliminates shadows | Makes it easier to thread the needle
Illuminates the entire quilting area | Shows a quilt's true colors
Provides points of light on all sides of the needle

60 white light LEDs* | 60 Ultra Violet LEDs* | 6 times the brightness

Complete System: \$499

Available from your local Gammill Dealer

*Vivid Lighting System details 22, 26, 30 inch throats. 18-inch machines feature 52 LEDs
